MEMORANDUM FOR ALMAJCOM/DRU/FOA (Contracting)

FROM: SAF/AQC

1060 Air Force Pentagon Washington DC 20330-1060

SUBJECT: Mandatory Use Policy for Purchase of Office Supplies

The AF spends \$46M on office supplies each fiscal year. Identified as a straggic sourcing opportunity by the Office of Federal Procurement Policy (OFPP) and the (fice of the Secretary of Defense (OSD), the Air Force Office Supply Commodity Council (OSC) thoroughly studied the available options for sourcing. Based upon their evaluation: d my role as the Office Supply Commodity Sourcing Official, I have determined a mandatory- se policy is warranted for the procurement of office supplies.

Effective October 1, 2011, all CONUS Air Force contracting offices and Go ernment Purchase Card holders will use only the Federal Strategic Sourcing Initiative (FSSI))ffice Supply Blanket Purchase Agreements (BPAs) or a local AbilityOne Base Supply Ce ter to purchase office supplies. This policy memo supplements the September 18, 2009 changes to the Air Force Instruction 64-117 Mandatory Use of GPC for On-line Purchases of Offic Supplies. The FSSI BPAs are readily available on the Air Force Advantage website (www.afadvantage.gov). Until this mandatory date, the FSSI BPAs should be the p ferred solution when an AbilityOne store is not available. The only exception is for the pushase of toner cartridges. Due to highly competitive pricing on toner, it is important to checlorices on both FSSI and the Air Force Toner BPAs available on AFWAY (www.afway.af.mil for the specific toner cartridge needed.

Detailed ordering instructions are identified in the attached Air Force Office upplies Ordering Guide. Deviation from this policy is only authorized upon receipt of an arroved waiver from the Air Force OSCC. Previous guidance that requires online-only purc asing of office supplies, with exception of AbilityOne stores, is still in effect.

Enforcement of this policy will be monitored through the use of improved magement reporting tools that provide detailed information on all Air Force office supply spen ng.

Additional guidance is currently being distributed to all GPC program mana ars and cardholders. For further information or waiver requests, please contact Mr. Richard 3igler, Director, Office Supplies Commodity Council, HQ AFMC/ESG, DSN 674-1277, C nmercial (937) 904-1277, or email at Office.Supply.CC@wpafb.af.mil.
